FIG. 12

The figure shows a graphical user interface for a "REPLACEMENT SHEET". It features a central list of items: "Guest", "Jam", and "staff", each followed by a dotted line for additional information. To the right of the list are two navigation buttons: an upward arrow and a downward arrow, with "1/1" displayed between them. Below the list is a "SELECT ITEM" button with a hand cursor icon. To the right of the list is a "MANAGEMENT" button with a right-pointing arrow icon. At the bottom right is a "LOG ON" button.

FIG. 13

The interface is enclosed in a rectangular frame. On the left, a list box contains the following items: 'Guest' (highlighted with diagonal hatching), 'Jam', 'staff', and three empty lines. To the right of the list box are two buttons: an upward-pointing triangle and a downward-pointing triangle, with '1/1' centered between them. Below these buttons is the text 'MANAGEMENT' and a small square button with a right-pointing arrow. At the bottom left, a hand cursor icon is positioned next to the text 'SELECT ITEM'. At the bottom right, there is a button labeled 'LOG ON'.

FIG. 22

The figure shows a graphical user interface (GUI) window titled "INPUT NEW DESTINATION". The window has a title bar at the top with the text "[Guest]". Inside the window, there are two input fields. The first field is labeled "DISPLAY NAME" and has a small right-pointing arrow next to it. The second field is labeled "PATH" and also has a small right-pointing arrow next to it. Below these fields, there are two buttons: "CANCEL" on the left and "OK" on the right. The "OK" button has a small right-pointing arrow next to it. The window is partially overlapping another window in the background, which has a title bar with the text "LOG ON" and a button labeled "SCAN".

F I G. 33

The figure shows a graphical user interface window titled "TRANSMISSION SETTING". The window has a title bar at the top left that says "[Guest]". Inside the window, there are three input fields: "FILE NAME", "MAIL", and "FILE FORMAT", each with a small right-pointing arrow at the end. Below these fields is a dashed horizontal line. At the bottom right of the window is a "CLOSE" button with a small icon of a window with an arrow pointing out. Below the window, there are two buttons: "LOG OFF" on the left and "SCAN" on the right.

“REPLACEMENT SHEET”

34/45

FIG. 34

The figure shows a graphical user interface for a "REPLACEMENT SHEET". At the top, it says "FILE NAME" above a text input field. To the right of the input field is a button labeled "ENGLISH". Below the input field is a row of four buttons: a left arrow, a right arrow, "BACKSPACE", and "INPUT MODE". Below these are three rows of letter buttons: the first row contains numbers 1-0; the second row contains letters q-p and a hyphen; the third row contains letters a-l and an at-sign. Below the letter buttons is a row of buttons: z, x, c, v, b, n, m, a period, a slash, and an underscore. Below this row are two buttons: "SPACE" and "SHIFT". At the bottom of the interface are two large buttons: "CANCEL" on the left and "OK" on the right, which includes a small icon of a hand pressing a button.

“REPLACEMENT SHEET”

35/45

FIG. 35

The figure shows a graphical user interface window titled "INPUT MAIL TEXT". The window has a title bar with the text "[Guest]". Inside the window, there are two input fields: "SUBJECT" and "TEXT". The "SUBJECT" field is a single-line text box, and the "TEXT" field is a multi-line text box. To the right of the "SUBJECT" field is a small rectangular button with a right-pointing arrow. To the right of the "TEXT" field is a larger rectangular button with a right-pointing arrow. At the bottom right of the window is a "CLOSE" button with a small icon of a window with an arrow pointing out. At the bottom left of the window is a "LOG OFF" button. At the bottom right of the window is a "SCAN" button. The window has a standard Mac OS-style title bar with a red, yellow, and green button on the left.
